To Whom It May Concern:

Wilkes University offers several graduate courses in partnership with PLS 3rd Learning. An educator from your school or district would like to enroll in EDU-558, which is a [Topics Course](#) with Wilkes University.

When a Wilkes/PLS 3rd Learning course is initially approved, the temporary number (EDU-558) is assigned for at least one semester. PLS 3rd Learning has a mechanism in place to ensure that participants cannot enroll in EDU-558 courses with identical titles.

If you have any questions about EDU-558 courses, please contact [Renee Sipple](#) (570-408-4674) at Wilkes University or [Sarah Menegay](#) (716-536-8082) at PLS 3rd Learning.

With best regards,
