COPING SONGS BRAIN BREAK

Coping is learning to overcome unpleasant emotions such as stress or anxiety. Listening to music is one strategy that help reduce these feelings. Fill in the boxes below to make the perfect coping playlist to listen to the next time you're feeling overwhelmed.

Make yourself the perfect coping playlist by filling in each of the following boxes with a song in which you think best matches the description.

A song that reminds you of your childhood.	A song that easily gets stuck in your head.	A song you know all the words to.	Your favorite song from a movie.
A song that you'd listen to when you first wake up.	A song that makes you feel free.	A song you'd listen to to fall asleep.	A song that makes you smile.
A song to sum up this school year.	A song that reminds you of a good memory.	A song that reminds you of someone you care about.	A song that reminds you of someone who cares about you.
A song you would listen to on repeat.	A song that makes you feel safe.	A song you find inspirational.	A song that's your go-to mood booster.
A song that matches your vibe you get when you feel lonely.	A song that matches your vibe you get when you feel anxious or worried.	A song that matches your vibe when you feel annoyed or angry.	A song that matches your vibe when you feel sad or afraid.
